Mr. Rofsky:

As the elected representatives of Greenpoint, Brooklyn, we strongly urge Tao Hospitality Group to consider withdrawing its plans to open a nightclub adjacent to the Bushwick Inlet at 25 Franklin St and find an alternative location.

As you know from attending multiple meetings of Brooklyn Community Board 1, this proposal has united our neighborhood in strong opposition. Each of our offices have received a flood of correspondence expressing the same. Not a single constituent has voiced support for this project.

While we continue to urge the NYS Liquor Authority to deny your license application, we hope you will heed our community's concerns and proactively announce that you are seeking a different site to locate a new Tao Nightclub.

Thank you,
